As the EPA moves toward releasing a report on the science analysis of its Bristol Bay Watershed Assessment by a peer review panel, today in Washington, D.C., two ads run by sportsmen and commercial fishermen asked the President to protect Bristol Bay's jobs, industry and natural resources from mega hard rock mining.

The Save Bristol Bay campaign ran an ad from sportsmen in Politico. Please click here to view the ad online.

And, Commercial Fishermen for Bristol Bay placed an ad in The Hill. Please click here to view the ad online.
